Please fill in the name of your school

Please fill in the name of your class/tutor group

1. How much do you know about energy use, energy saving and energy efficiency?

On a scale from 1 to 10 cross whether you know nothing at all (a 1) or lots (a 10) about this topic?

| | | | | | | | | | |
|-----------------|---|---------|---|---|---|---|---|-------|----|
| Nothing at all! | | ←—————→ | | | | | | Lots! | |
| 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 |

2. How much do you think your school spends on electricity each year?

3. Does your school have an Eco-Team? If so, does this team have a name?

4. What is the best thing to do to lights when leaving a room?

- Lights don't use much electricity compared to other appliances so it doesn't really matter if they are left on or turned off.
- If a room is empty, lights should always be turned off.
- If they are low energy light bulbs they can be left on when the room is empty.

5. Which of the following do you do everyday?

- Make sure that appliances like TVs, computers and games consoles are not left on stand-by
- Put on a jumper or jacket if it feels cold
- Have a shower rather than a bath
- Turn the tap off when brushing my teeth
- Walk or cycle to school instead of coming by car
- None of the above

6. Are there any posters, stickers and displays reminding you to save energy around school?

- Yes No Not sure

PLEASE TURN OVER

7. How much do you know about climate change and the effects this is having on our planet now and in the future?

On a scale from 1 to 10 cross whether you know nothing at all (a 1) or lots (a 10) about this topic?

| Nothing at all! | | ←—————→ | | | | | | Lots! | |
|-----------------|---|---------|---|---|---|---|---|-------|----|
| 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 |

8. Do you agree with any of the following statements? If so, why?

Yes, I agree that using renewable energy is better for the environment than using fossil fuels!
If so, why?

Yes, I think it is important to learn about environmental issues and sustainability!
If so, why?

Yes, I think saving energy is important and could help us tackle climate change!
If so, why?

9. What is the most important thing that you have learnt about energy during the project?

10. Is there an interesting fact about energy use or energy saving that you would like to share?

11. Would you like to work or study in the area of energy or sustainability when you leave school?
Please circle one answer.

| No, definitely not | No, probably not | I don't know | Yes, probably | Yes, definitely |
|--------------------|------------------|--------------|---------------|-----------------|
| 1 | 2 | 3 | 4 | 5 |

THANK YOU!
